

Media Release

AusFly is a relaxed, **traditional Aussie fly-in** event where aircraft owners, pilots, builders, industry supporters and enthusiasts come along and soak up the true spirit of Australian general aviation. AusFly is a **non-commercial** event, focussed on all aviation supporters, wherever you come from, to get together and have a tonne of fun.

AusFly 2019 is taking place on 17th – 20th October at Narromine Airport (YNRM), a short distance from Dubbo in NSW.

There will be aircraft static and flying displays, educational sessions and industry exhibitors. This is the opportunity to get up and close with aircraft, discover an amazing part of Australian aviation history at the Narromine Aviation Museum, and simply catch up with fellow aviators and like-minded people. The planning for 2019 is going exceptionally well and we expect many exciting announcements over the coming months of what to expect.

We encourage all young future aviators to come along and enjoy the thrills of flying with a free joy flight!

We also encourage flying schools, clubs, aircraft owners and all aviators to participate by flying into Narromine Airport. There is plentiful nearby accommodation and the choice of camping under your wing!

There will be a range of social events including an arrival evening BBQ and departure breakfast for a gold coin donation, and the highlight – **“Dinner under the Stars”** with a special guest, or two. Tickets are in planning and will be available through the registration page in the very near future.

AusFly Narromine 2019 is a **gold coin donation** on entry event for all participants and spectators. There will be food and drinks available to purchase from Narromine Gliding Club, Narromine Aero Club and food vans on site.

Whatever you fly, are building, are thinking of building or you are thinking of a career in aviation or just interested in aviation – you are welcome!

Come and join in the fun! Soak up the true spirit of Australian general aviation at work!
AusFly Narromine registrations will open in the near future so ‘like’ our Facebook page for further updates.
